The Partnership

The Partnership is a public-private collaboration between the NH Department of Health and Human Services' Bureau of Drug and Alcohol Services (BDAS), the NH Governor's Commission on Alcohol & Other Drugs, the NH Charitable Foundation, and the Center for Excellence on Addiction/JSI.

The Partnership envisions a New Hampshire where individuals have the information and skills they need to make and support positive, healthy decisions around the use of alcohol, tobacco and other drugs. Together we can help individuals, families, and communities of NH to get informed and get help when they need it.
